

85% of Financial  
Advisors have  
never sold or  
bought a business  
before\*

Are you doing enough to ensure that your practice's success is matched by a flawless succession plan? Find out at a seminar covering all aspects of buying or selling a practice or client book, including timing, due diligence and compliance. Learn how to build your practice into a valuable, disposable asset – crucial, even if you're not planning to sell for years. Or what you need to know to identify a viable business if you are a buyer.

**Celestis Practice Management** invites you to attend a **Succession Planning Seminar** on 24th of August in Johannesburg. Seats are limited. Register on or before 16 August for a special rate. For more information and registration... click here [www.celestis.co.za](http://www.celestis.co.za)
