Marine Cargo Insurance

Aligned to SAQA ID's 119676, 120009, 120020; 120013 with INSETA Level 4 Credits 8

Johannesburg	10 to 12 May 2010
Durban	07 to 09 June 2010
Port Elizabeth	31 May to 02 June 2010
Cape Town	27 to 29 May 2010

Only R2700 per delegate
Duration: 3 Days

Learn about the pitfalls which need to be avoided when underwriting cargo, know how to handle claims to the best advantage to both underwriter and claimant, how to minimize losses by being proactive as far as recoveries from third parties are concerned. And then there is that swear word in shipping circles, General Average and Salvage Awards! What is the principal of general average and who pays what, the documents required to be completed by insurers, importers which includes cargo owners.

Who Should Attend this Workshop?

- Ships Agents, Importers, Exporters, Manufacturers & Distributors, Clearing Forwarding & Insurance fraternity
- Brokers and insurers
