Dear Member

FIA Group Life Scheme

In order to ensure that the Group Scheme enjoys sustainable growth, your committee is again urging you to make this cover available to your spouse and your staff. This type of cover (and the levels of "free cover limits") is seldom available in the open market.

There will be a concerted effort by the various Branches to ensure that all members are aware of the cover available.

This process shall include:

- a) Email communication
- b) SMS communication
- c) Branch feedback sessions

This cover is available as follows:-

- a) **Staff**
 - Cover is to be compulsory for all staff
 - The levels of cover may differ from staff member to staff member
 - The minimum cover per category of cover shall be R50 000, (R50 000 Group Life cover for a 30 year old male costs R9.70 p.m.)
- b) **Spouse**
 - The cover on your spouse may not exceed yours

The "free cover limits" apply to staff, as well as your spouse.

In order to obtain a quote please send an email to schemes@healthacc.co.za providing the following details:
