The winners of the various awards at the annual Financial Intermediaries Association of Southern Africa (FIA) awards ceremony for 2011, which was held in Johannesburg recently. According to Brian van Flymen, the new president of the FIA, the awards provide intermediaries with the opportunity to recognise the leading product suppliers in the financial services industry. Santam came out with top honours in two of the categories, winning short-term insurer of the year (commercial) and short-term insurer of the year (corporate) for the third consecutive year.
